EDUCATIONAL ACHIEVEMENTS

- Premiered the student produced film, Without Troy, in front of a crowd of three-hundred fans.
- Created websites for Butler EPICS, a student engineering community service group.
- Received the “Overall Outstanding Student” award of recognition from the Butler University Media Arts department. The highest honor the department can bestow.
- Brought the student produced sketch comedy show Random Acts to the web for the first time in 2006. This resulted in thousands of new viewers and a lifetime million views for the videos.
- Wrote and directed news segments for Butler Daily News in 2006.
- Created a series of public service announcements that promoted student voting. The videos ran on local cable and received honors twice by the Telly Awards for outstanding production in 2004.
- Received the Communicator Award, the leading international awards program recognizing creative excellence in the communication field, for an educational film in 2004.
- Co-Produced several award winning short films with other students in 2002 through 2004.
